

# Call Box - Quick Start Guide

## To Page All Buildings on Site:

To page all buildings for an emergency, please press the Page All Button which can be found as shown.

This button will allow you to page across all buildings on site.

*Please note that the building (A,B, or C) button will only page within the building you are currently located in. The building you are in should correspond with the Page Building button*

*If you would like to page all buildings at your site, please use the Page All Button.*

## To Page Only Within the Current Building:

To page just the building you are within, please press the Page Building (A, B, or C), which can be found as shown.

This button will allow you to only page the building you are
